

## **Program Overview**

The Imagine Fund is a dynamic 10-week program designed to empower impactful young artists. In this program, participants receive a \$1,000 budget to bring their projects to life while learning essential project management and professional development skills. They will collaborate with fellow artists, attend inspiring workshops, and explore key topics for artistic success. Dedicated mentors provide personalized feedback, resources, and best practices to elevate their craft.

The program culminates in an exciting showcase where artists present their projects and share their journeys with the community and influential career professionals. The Imagine Fund transforms artistic visions into reality.

Program takes place Jan 11, 2025 - March 22nd, 2025
